

INTERNATIONAL SOCIETY OF ONCOLOGY PHARMACY PRACTITIONERS

2008/2009

Sponsorship Opportunities

The International Society of Oncology Pharmacy Practitioners (ISOPP) has appreciated generous industry support, particularly for its Symposia from the first in New Zealand, 1988 to ISOPP XI in Anaheim US 2008. We continue to expand sponsorship opportunities and welcome your suggestions for more positive alignment agreements that could be explored.

The sponsorship opportunities are:

1. Sponsorship of the ISOPP website

For an annual donation of 5,000 euros your corporate logo will be posted on the home page of the ISOPP website, www.isopp.org, with a link to the website of your company. In this manner our industry partners gain a direct link capability to our international oncology pharmacy members. This opportunity is offered to the first six partners for each calendar year.

2. Sponsorship of the quarterly ISOPP Newsletter

For an annual donation of 3,000 euros your support would be noted on each issue with your company logo to raise our members' awareness of your ongoing interest and support of oncology pharmacy. The Newsletter is posted quarterly on our website www.isopp.org, in the Members Area. In addition it is printed in full colour and distributed to all ISOPP members. This opportunity is offered to the first four partners of each calendar year..

3. Advertising in our quarterly journal – the Journal of Oncology Pharmacy Practice

JOPP has developed into an excellent journal with broader influence since achieving Medline indexing. By considering this advertising through ISOPP you are also sponsoring credit to ISOPP by the publishers.

Feedback from you, on the following ideas:

- a. Would you be interested in becoming a long term specific supporter for our biannual symposium? This could be a sponsored supplement to JOPP that is created for each meeting; a specific international speaker spot on a topic of shared interest; other consistent offerings that occur in each meeting for which you would like to become a recognized sponsor.
- b. Do you have other ideas for positive sponsorship that we could consider adopting within ISOPP.

Sincerely,

A handwritten signature in cursive script that reads 'Carole R. Chambers.' The signature is written in black ink on a white background.
