

ISOPP Educational Webinar

ISOPP Standards of Practice – Revised Release Update

Presented by:

Shaun O'Connor, ISOPP Past President and Standards Task Force Co-Chair

ISOPP's Standards of Practice in Cancer Pharmacy communicate to healthcare professionals the roles and responsibilities of oncology pharmacists and provide a benchmark to evaluate the quality of services and patient care.

Saturday, May 21, 2022 at 07:00 PDT

(Presented live)
