Strategic Plan

- Articulate the vision of ISOPP
- Identify key priorities to focus our efforts
- Assure the structure of ISOPP supports the strategic priorities
- Develop a preliminary action plan

ISOPP's VISION:

Advance oncology pharmacy care for patients throughout the world.

We believe that we can improve the lives of those touched by cancer by advancing oncology pharmacy care throughout the world through engagement and mobilization of the oncology pharmacy community.

We do this by delivering professional development and collaborative advocacy initiatives.

Priority:

Engage members around the ISOPP vision and inspire the global oncology pharmacy community to take action.

Engage Members

- Development of an ISOPP video
(Task force to be formed)
- Update ISOPP's Safe Handling Standards
(Task force to be formed)

Priority:

Deliver enhanced professional
development resources.

Priority:

Develop and mobilize Oncology
Pharmacy collaborative advocacy
initiatives.

Collaborative advocacy

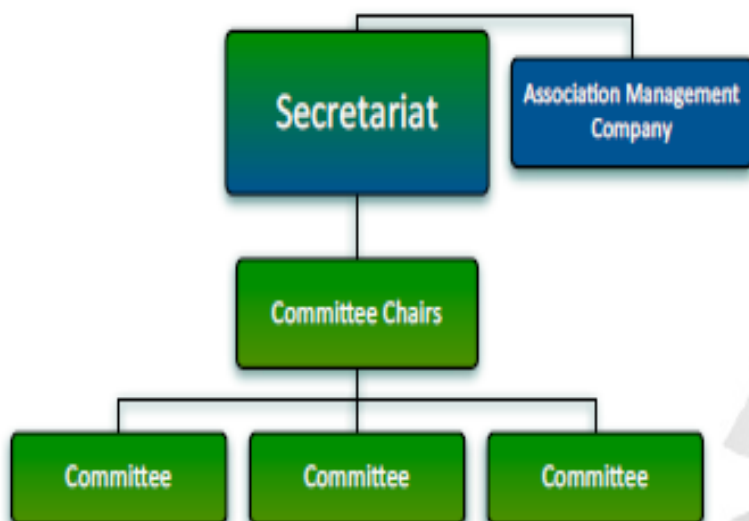

- Initiate discussions with UICC, WHO
- Global Leadership Summit
- Re-evaluate the potential of affiliation status with oncology pharmacy organizations
- Determine a strategy for annual meetings to further engage oncology pharmacy in areas of the world we do not have a footprint

In order to deliver the strategic initiatives over the next 3- 5 years ISOPP must evolve its current structure to secure additional financial resources and create enhanced educational development and advocacy management capabilities.
