ONCOLOGY PHARMACOTHERAPY AND APPLICATIONS OF BIOSIMILARS

www.isopp.org/opab

#ISOPPOPAB

Launching in 2021 for oncology pharmacists who have practiced for at least one year in the area of oncology pharmacy. ISOPP's online Oncology Pharmacotherapy and Applications of Biosimilars program consists of 10 online courses (25 hours) and an opportunity to meet at ISOPP's March 3 to 5, 2022 Symposium in Sevilla, Spain, to expand the Biosimilars Expert Network. For more information, visit www.isopp.org/opab

Symposium and OPAB Program free for ISOPP Members – Not a member? Join ISOPP!
