Oncology Pharmacy Practitioners

Virtual Education Program

ONCOLOGY PHARMACOTHERAPY AND APPLICATIONS OF BIOSIMILARS

www.isopp.org/opab

#ISOPPOPAB

For ISOPP members who are oncology pharmacists and have practiced for at least one year in the area of oncology pharmacy. Both the accredited and non accredited program consists of 10 online courses (total of 25 hours), and an opportunity to meet at ISOPP's March 2 - 5, 2023 Symposium in Sevilla, Spain, to expand the Biosimilars Expert Network. Visit www.isopp.org/opab to find out more and register.

Symposium and OPAB Program free for ISOPP Members - Not a member? Join ISOPP!
